7.4. Limitation of liability. UNDER NO CIRCUMSTANCES, WHETHER AS A RESULT OF BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE) OR ANY OTHER CLAIM OR CAUSE OF ACTION, WILL LICENSEE BE LIABLE TO THE LICENSOR FOR INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES SUFFERED OR INCURRED AS A RESULT OF OR RELATED IN ANY WAY TO THE DEVELOPMENT, LICENSE, DISTRIBUTION, OR OPERATION OF THE GAME, EVEN IF LICENSEE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE.

7.5. Tracking system Disclaimer. THE LICENSEE OR ITS PARTNERS PROVIDES OR MAKES AVAILABLE THE TRACKING SYSTEM TO THE LICENSEE ON AN "AS IS" BASIS. EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, THE LICENSEE DISCLAIMS ANY AND ALL REPRESENTATIONS AND WARRANTIES, EITHER EXPRESS, IMPLIED, OR STATUTORY, WITH RESPECT TO THE PERFORMANCE OF THE TRACKING SYSTEM AND PERFORMANCE OF THE MARKED LINKS INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE, AND ANY WARRANTY OF CONTINUOUS, UNINTERRUPTED, BUG-FREE, SECURE, VIRUS-FREE OR ERROR-FREE OPERATION, ACCESSIBILITY OR USE. WITHOUT LIMITING THE FOREGOING, THE LICENSEE DOES NOT ENSURE CONTINUOUS, ERROR-FREE, BUG FREE, SECURE OR VIRUS-FREE USE, ACCESS, AVAILABILITY OR OPERATION OF THE TRACKING SYSTEM AND THE MARKED LINKS.

7.6. IN NO EVENT SHALL LICENSEE'S TOTAL AGGREGATE LIABILITY IN RESPECT OF ALL CLAIMS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT EXCEED EUR 1,000.00 (ONE THOUSAND EUROS).

7.7. Licensor's Indemnification. The Licensor will indemnify, defend, and hold harmless the Licensee and the Licensee's parent company, subsidiaries, affiliates, partners and each of their directors, officers, employees, attorneys, accountants, and agents from and against any claims, costs, damages, losses, liabilities, and expenses (including, without limitation, attorneys' fees) relating to any claims, actions, or proceedings against any of the aforesaid indemnified parties arising out of or related in any way to (i) the Licensor's breach of this Agreement or any of the Licensor's representations or warranties contained herein, or (ii) the Licensor's violation of any laws, rules, regulations, or any third party in connection with the Game.

7.9. Liability of the Parties hereunder shall be limited to reimbursement for the actual damage; loss of profit shall not be subject to reimbursement.

8. FEE

8.1. The remuneration of the Licensor for the provision of a non-exclusive license on the Game shall be calculated as ninety five percent (95%) of the Licensee's Regular Income actually received for a corresponding Reporting Period and shall include all applicable Taxes ("License Fee").

In the event that the use of any Services by the Licensor is conditional on the payment of additional remuneration to the Licensee ("Additional Fee"), such Additional Fee is additionally withheld from the Licensee Fee to be paid to the Licensor. The description of the Services, the terms of use of the Services, the amount and method of calculating the Additional Fee are agreed by the Parties on the Platform before the provision of the Services for the Additional Fee.

8.3. All payments herein shall be performed in Euro by cash transfer using the payment details of the Licensor set forth on the Platform by the Licensor.

8.4. For the purpose of this Section the term "Taxes" includes all federal, state, local and foreign taxes including those to be withheld by a tax agent, including personal income tax and similar taxes, profits, franchise, gross receipts, environmental, customs duty, capital stock, severance, stamp, payroll, sales, employment, occupation, ad valorem, transfer, use, property, excise, production, value added, occupancy and any other taxes, duties or assessments of any nature whatsoever, as well as all and any related penalties and interest, arising from or connected with the payment, late payment, non-payment of the above taxes.

8.5. For the purpose of this Section the Licensor confirms that the Licensor is the person who actually benefits from the License Fee paid, determines its further economic use and pays all applicable taxes. If any claims are lodged against the Licensee by any tax authorities in connection with the reliability of the data provided by the Licensor in its VK Play Developer Dashboard or in connection with non-payment or underpayment of applicable taxes by the Licensor, the Licensor shall indemnify the Licensee against damage calculated as the tax charged to the Licensee or imposed on the Licensee and the Licensee's costs of settlement of the claims lodged by tax authorities.

8.6. For the purpose of this Section the Licensor confirms the country of its tax residence and specifies it in Licensor's VK Play Developer Dashboard. The Licensor shall provide to the Licensee documents, including those confirming the status and tax residence of the Licensor, upon Licensee's request. Each of the Parties shall independently perform its obligations for calculation and payment of taxes under this Agreement in accordance with applicable legislation.

9. THE LICENSEE'S REPORT AND SETTLEMENTS UNDER THE AGREEMENT

9.1. The Licensee shall provide the Licensor with the reports to the Agreement (hereinafter – "Reports") at regular intervals starting from the first Reporting Period, within which the Licensee has received Income.

9.2. The Reports shall be provided by the Licensee at the Platform not later than on the fifth (5th) day of the calendar month following the Reporting Period. Prior to the tenth (10th) day of the calendar month following the Reporting Period, the Licensor shall review the Report and may send a written justified refusal to agree with the Report, and then shall send the invoice for such Reporting Period to the Licensee.

9.3. The Licensee shall pay the License Fee for the respective Reporting Period to the Licensor's bank account specified by the Licensor on the Platform within 60 (sixty) calendar days from the moment when the Licensee has received the invoice specified in clause 9.2 hereof.

9.4. If the Licensee receives the Licensor's justified refusal to approve and sign the Report due to disagreement of the Licensor with the amount of the License Fee and if the Licensee agrees with such a justified refusal, the Parties shall mutually cooperate to discuss an adjusted Report for such Reporting Period, which shall be provided to the Licensor on the Platform (hereinafter referred to as the "Adjusted Report").

9.5. In such case, additional payment by the Licensee of the License Fee set according to clause 9.4 hereof shall not be a violation on the part of the Licensee of the payment terms agreed by the Parties and shall not serve as the grounds for any penalty. Moreover, it shall not serve as the grounds for unilateral refusal of the Licensor to fulfill the obligations hereunder.

9.6. If the Licensor has not provided the signed Report and/or the invoice for the past Reporting Period according to clause 9.2 within the term set hereby, the Licensee may suspend payment of the Licensor's License Fee for the current and the following Reporting Periods until such violation is eliminated by the Licensor. In this case, suspension of License Fee payment by the Licensee according to this clause hereof shall not be considered a violation on the part of the Licensee of the payment terms agreed to by the Parties and shall not serve as the grounds for any penalty. Moreover, it shall not serve as the grounds for unilateral refusal of the Licensor to fulfil the obligations hereunder.

9.7. The monetary funds shall be transferred in non-cash form in Euros to the Licensor's bank account specified in the VK Play Developer Dashboard on the Platform. For the purposes of calculation of the License Fee amounts payable to the Licensor hereunder, the Parties agree that if any of the amounts influencing the calculation of the License Fee are stated in any other currency (not in Euros), such amounts shall be converted into Euros at the rate available at the link: <https://currencylayer.com/currencies> as of the last calendar day of each Reporting Period.

9.8. The day of debiting of the monetary funds from the correspondent account of the Licensee's bank shall be considered as the payment date.

9.9. If the License Fee of the Licensor for the corresponding Reporting period amounts to less than 1,000.00, (one thousand) Euro, the Licensee shall pay such License Fee to the Licensor in the first Reporting Period when the License Fee becomes greater than the threshold specified above together with the License Fee of the Licensor for the past Reporting Periods for which the remuneration has not yet been paid.

10.1. The Agreement shall become effective and all the rights and obligations specified herein are deemed granted and accepted from the date specified in clause 1.4 hereof and shall be valid until terminated by either of the Parties as specified below.

10.3. The Licensee has the right to unilaterally amend this Agreement, subject to notification of the Licensor of such changes through the Platform or by e-mail, at the discretion of the Licensee. The Licensor is required to familiarize itself with the updated version of the Agreement. If the Licensor has not deleted the VK Play Developer Dashboard or has not notified the Licensee about the termination of the Agreement within the five day period specified in this clause of the Agreement, the updated version of the Agreement shall be deemed accepted by the Licensor and shall enter into force on the date specified in the updated version of the Agreement and shall apply to all agreements between the Licensee and the Licensor.

10.5. Each of the Parties may, at any moment, terminate this Agreement in a unilateral, out of court order, having notified the other Party in writing 30 (thirty) calendar days before the expected termination date. The cancellation of the Licensor's VK Play Developer Dashboard on the Platform in accordance with the Terms of Use of the VK Play Developer Dashboard, is deemed a notification of termination of the Agreement on the foregoing terms. Any communication of the Parties after the cancellation of the Licensor's VK Play Developer Dashboard on the Platform shall be performed using the e-mail addresses of the Parties specified in clause 13.8 hereof, unless it is specifically stipulated by the Agreement that the notifications and/or documents shall be delivered in hard copies.

10.6. In case the Licensor breaches the provisions indicated in clauses 6.3.3, 6.3.4, and 6.3.6 of the Agreement, and such breach is not corrected within 5 (five) calendar days, the Licensee is entitled to unilaterally immediately terminate this Agreement out of court.

10.7. Each Party is entitled to immediately terminate this Agreement by sending a written notice in the case the other Party violates the warranties and representations provided in accordance with this Agreement, or in the case these warranties and representations are found to be false. Such notice shall be provided using the e-mail addresses of the Parties provided in clause 13.8 of this Agreement.

10.8. Upon expiration or termination of the Agreement, the Licensee shall, within 30 (thirty) calendar days from the termination or expiration date, make all payments due to the Licensor.

10.9. From the date of receipt by the Party of such notice of the termination or expiration of the Agreement, the Licensee shall create such technical conditions of the Game operation, under which participation in the Game is permitted only to Users who already own an Authorization Account. In such cases, the Licensee shall publish informational materials on the Platform stating that the Licensor is expected to terminate operation of the Game in the nearest future.

11. CIRCUMSTANCES OF INSUPERABLE FORCE (FORCE-MAJEURE)

11.1. The Party shall be released from liability if non-fulfilment or improper fulfilment of the obligations is related to circumstances of insuperable force (force-majeure circumstances), i.e. the circumstances unforeseeable, extraordinary, and inevitable under the given conditions, which the Parties could neither foresee nor prevent using reasonable measures. Such circumstances shall include, in particular: natural disasters, fires, earthquakes, floods, wars, war actions of any kind, strikes, blockades, embargoes, prohibitions or limitations of export or import, political unrest, riots and their consequences, regulations and decisions of state authorities changing the legal status of the Parties to the Agreement restricting and/or prohibiting the fulfilment of obligations hereunder or in any other way influencing the ability to fulfil the conditions hereof and other circumstances beyond the reasonable control of the Party.

11.2. The Party referring to circumstances of insuperable force shall immediately inform the other Party hereunder about the occurrence and termination of such circumstances in writing within 10 (ten) Business days. In such case, representatives of the Parties shall consult each other as soon as possible and agree on the measures to be taken by the Parties.

11.3. Untimely notification about circumstances of insuperable force sent upon expiration of 10 (ten) Business days shall deprive the respective Party of the right to refer to such circumstances in the future.

11.4. The occurrence of circumstances of insuperable force and their duration shall be confirmed by the documents issued by the respective competent bodies or entities.

11.5. In the case of the occurrence of circumstances of insuperable force, the term for fulfilment of obligations hereunder shall be shifted in proportion to the period within which such circumstances and their consequences are in effect. If the circumstances of insuperable force last for more than 3 (three) consecutive months, any Party may cancel the Agreement on a unilateral basis.

12. APPLICABLE LAW AND DISPUTE RESOLUTION

12.1. This Agreement and relations between the Parties arising out of this Agreement shall be governed by the substantive law of England and Wales without regards to its conflict of laws principles.

12.3. The Parties shall take measures to resolve the disputes and disagreements arising out of this Agreement by way of direct negotiations (according to the mandatory out-of-court procedure for dispute resolution). If no agreement is reached within 30 (thirty) days from the date of commencement of the negotiations (submission of the first claim), all the disputes that may arise out of this Agreement or in relation thereto shall be subject to consideration in Arbitration Court of London according to the laws of LCIA Rules, which rules are deemed to be incorporated by reference into this clause. The number of arbitrators shall be three. The language to be used in the arbitral proceedings shall be English. The place of Arbitration shall be London, United Kingdom.

The headings used in this Agreement are for convenience only and are not to be used in interpreting this Agreement. Words meaning only the singular also include the plural and vice versa, depending on the context.

13.2. Change of details. Licensor shall notify Licensee about reorganisation and changes to their postal addresses, bank details, telephone and telefax numbers no later than within five (5) calendar days from the date of the respective change. The Licensor shall simultaneously make respective amendments in the VK Play Developer Dashboard.

13.3. Claims. The claims concerning payment of fine sanctions, the notice of cancellation hereof, as well as other notices, which any Party should send or wish to send to the other Party, shall be sent by a registered letter with declared value with a list of enclosures and advice of delivery to the address stated by the Party in this Agreement. Along with the sending of documents stated in this clause, the Party having sent such documents shall send them in electronic form to the electronic mail address stated by a Party in this Agreement.

13.4. No Partnership. This Agreement does not create any joint venture, partnership, or formal business entity or organisation of any kind.

13.5. Waiver. No waiver of any provision of this Agreement will be effective unless it is signed in writing, and no such waiver will constitute a waiver of any other provision(s) or of the same provision on another occasion.

notifications in the Licensor's account and the e-mail address of the Licensor specified in the VK Play Developer Dashboard.

13.8. E-mail notifications. In the case the Agreement or corresponding Addendum hereto stipulates the exchange of the messages between the Parties via e-mail, the Parties agree that such exchange of messages and documents attached thereto using the foregoing e-mail addresses is deemed valid and shall have legal force. In the case it is provided in the Agreement, certain messages and notifications may be sent via the following e-mail specified in the VK Play Developer Dashboard.

13.9. Informational security. The Parties undertake to immediately inform each other about all cases of hacking or other unauthorised access to their e-mails, as well as about changes to the e-mail address. The Party that failed to inform the other Party about the foregoing circumstances forfeits the right to invoke these circumstances later, and shall bear the risk of any adverse consequences caused by such failure to notify, including the risk of non-delivery of the other Party's messages sent via the e-mail address mentioned in this Agreement.

13.10. Severability. If a court of competent jurisdiction holds any term, covenant, or restriction of this Agreement to be illegal, invalid, or unenforceable, in whole or in part, the remaining terms, covenants, and provisions will remain in full force and effect, and will in no way be affected, impaired, or invalidated. If any provision in this Agreement is determined to be unenforceable in equity because of its scope, duration, geographical area, or other factor, then the court making that determination will have the power to reduce or limit such scope, duration, area, or other factor, and such provision will then be enforceable in equity in its reduced or limited form.
